

Toledo-Lucas County Health Department
H1N1 Vaccine Clinics

Vaccination sites, dates, times and locations change. Changes are decided and plans are updated based on vaccine resupply and usage. We apologize for the need for such a fluid program, but we are committed to providing the greatest number of persons with the most appropriate vaccines. Targeted groups are thus prioritized and rescheduled, as appropriate vaccines are available.

Please check back to this location often. Yes, please check back prior to proceeding to any given Point Of Dispensing (POD).

Please pre-register if possible at <https://h1n1vaccine.odh.ohio.gov>.

Yours in Public Health,

Larry J. Vasko, R.S., MPH
Deputy Health Commissioner
